A visual catalogue of every station in major rapid transit systems and the lines they serve.

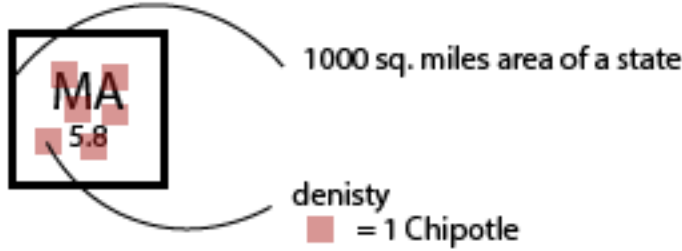

How To Read

CHIPOTLE

Chipotle is a Mexican inspired American fast food joint that specializes in made-to-order tacos, burritos, bowls and salads. This visual is an attempt to categorize all Chipotle by state, normalize them to an area of 1000 sq. miles and represent them as chunks within each state.

HOW TO READ

CHIPOTLE STATS

States with no Chipotle

States with median of 1000 sq. mi. (0.6)

States with highest # of Chipotle
